

Teacher Action Group

**is Concerned about the Future
of Public Education in Philadelphia**

TAG demands School Transformation through:

- *Equitable funding & up-to-date resources**
- *Less testing & more meaningful learning**
- *True community & teacher involvement**
- *School Discipline Policies that empower students & teachers**

**Educators are
mobilizing for quality
public education for all.**

Join Us!

**standardized
tests**

**force transfers
and staff lay-offs**

**1/2 a billion
dollar deficit**

**lack of
community input**

**school
closings**

**scripted
curriculum**

**students treated
as criminals**

**massive drop
out rate**

**We must work
together to
fix these
problems.**
