

TEACHER ACTION GROUP CALLS ON TEACHERS, STUDENTS,  
PARENTS, AND ALL SUPPORTERS OF PUBLIC EDUCATION

**RALLY FOR PUBLIC EDUCATION**  
**FRIDAY, FEBRUARY 25TH AT 4:00PM**  
**440 N. BROAD ST.**

## **We DEMAND the School District:**

### **1. Give Students, Parents, Teachers and Community Members a legitimate role in directing School Reform in Philadelphia**

Students, Parents, Educators and Communities have first-hand experiences and ideas about what needs to change in our schools. The District consistently offers us only symbolic advisory roles that have no real impact on final decision-making. We DEMAND to be a part of the decisions that will affect our lives and our schools.

### **2. Stop Intimidating Teachers and Students**

We have a Democratic Right to express our opinions and ask questions of our District. These are OUR schools. We DEMAND the District stop threatening and disciplining our teachers and students who speak out.

### **3. Have a Transparent Process of School Change**

The District is targeting our schools by calling them “failures” without showing us adequate data to back up their decisions. The District is continuing to take over schools without proof that the Renaissance Schools process is even working. We DEMAND answers and transparency.

**TELL THE DISTRICT:**

**WE WILL NOT BE INTIMIDATED!**

**WE WILL BE HEARD!**

**EVEN IF WE HAVE TO WEAR A DISGUISE, WE WILL STAND UP AND SPEAK OUT!  
THERE IS POWER IN NUMBERS.**
